Dear Mr. Gray,

I am pleased to inform you that the local California Chiropractic Association (CCA) District has endorsed your candidacy for California Assembly District 21.

Enclosed is the *2014 CCA General Election Official Voter Information Guide* where your endorsement appears. CCA created this voter guide to provide electoral guidance to the California chiropractic profession. This helpful guide has been sent to all CCA members via email and is available online at the CCA website. To view the guide online, go to http://www.ccajournal.com/cca-voters-guide-2014/index.html.

CCA is a Sacramento-based statewide, nonprofit organization of doctors of chiropractic and allied industries representing the chiropractic profession. Established in 1928, CCA is the largest state chiropractic association in the nation. CCA's mission is to promote high standards of professionalism and patient care through education, advocacy and accountability. Doctors of chiropractic are the primary care professionals for spinal health and well-being.

Since 1922, California doctors of chiropractic have been licensed to diagnose and treat patients as portal of entry/primary care providers. Thus, doctors of chiropractic play an essential role in health care and workers' compensation reform. Chiropractic care has been proven cost-effective; is focused on prevention and wellness; and provides patient-centered care which results in high patient satisfaction and outcomes.

Thank you for your support of the chiropractic profession. We wish you the best of luck in your race!

If you have any questions, please contact CCA Governmental Affairs Director, Kassie Donoghue, DC at (916) 648-2727, ext. 130 or at kdonoghue@calchiro.org.

To our collective health and success,

Brian Stenzler, DC
