Denham announces April office hours

BEE STAFF REPORTS

Rep. Jeff Denham, R-Turlock, recently announced April mobile district office hours, giving residents of the 10th District an opportunity to meet with the congressman and his staff, according to a news release from Denham's office.

Residents can also hear more about Denham's work, have their questions answered or get help with specific casework, the release said. The mobile district hours are hosted by staff members, and when possible by Denham. Staff members can help residents with casework concerning issues such as Medicare, Veterans Affairs, Social Security, the Internal Revenue Service and federal legislation.

Additional information is available through Denham's website. Regular office hours are open to the public and no appointment is necessary. For more information, call Denham's Modesto district office at 209-579-5458.
