Stanislaus County Farm Bureau Endorses Adam Gray

The Stanislaus County Farm Bureau Board of Directors has voted to endorse Assemblymember Adam Gray for re-election to the 21st Assembly District. "Adam's been a fighter for agriculture and water," said SCFB President Joey Gonsalves. "He's been there for farmers and the agriculture industry from day one. Adam works well with everyone. He is a problem solver who ignores partisanship to get the job done."

"I am honored with this endorsement," said Assemblymember Gray. "We are at a time in California agriculture where all of us – Democrats, Republicans and Independents – need to work together to secure more water for the Valley and the State as a whole."

"Adam was instrumental on major issues including the water bond and he has fought for agriculture education programs like securing funding for the FFA. He's the real deal," said Gonsalves.

Gray was elected to his first full term in the State Assembly in November 2012.
