

Kimberly Lewis
MERCED COUNTY DISTRICT ATTORNEY

Oct. 10, 2019

Dear Adam,

Thank you for your call last week and the invitation to endorse your re-election campaign. Your work in the State Assembly consistently supports and promotes sound law enforcement, programs for at risk and underserved youth, public education, strong emergency and medical services for your jurisdiction, and the protection and growth of the area's economy. Your responses to the challenges faced in our area have been balanced, logical, and fair, and you have regularly shown a willingness to think creatively and work cooperatively in order to solve problems.

I am honored and proud to endorse your 2020 campaign for re-election to represent District 21 of the California State Assembly.

With deepest respect,

Kimberly R. H. Lewis
